Sir,

Sub:- Budget estimate - Elementary Education Fund Bellary District Board - 1951-52 - Revised estimate 1950-51 - Submitted.

*****

I forward herewith in the prescribed form in duplicate the revised estimate for 1950-51 and the budget estimate for 1951-52 of the Elementary Education Fund Account of the Bellary District Board together with the prescribed annexures, appendicies and statements.

The marked variations between the provisions made in the budget estimate for 1950-51 and the revised estimate for 1950-51 and provisions made in the Budget estimate for 1951-52 are also fully explained in the appendix II. The salient points are marked out below for special attention. The particulars of provisions made for the institutions under the compulsory scheme and under the expansion scheme are furnished in the statement III and annexure I.

Receipts:-

Consequent on the levy of education cess at 20 pies in the rupee of Land Revenue as sanction in G.O. Mis. No. 911. Edn. dated 18-3-50 the amount of cess has been raised from Rs. 1,38,000 to Rs. 2,76,000/- as directed. The levy has been sanctioned from fasli 1359 and hence a credit for Rs. 1,04,000 is also taken.

A credit for Rs. 1,23,750/- has been taken both in the Budget and revised estimates for 1951-52 and 1950-51 respectively, as directed. under "Under section 37, Elementary Education Act".

In view of the proposed expansion of compulsory scheme to 53 new centres provision has been made for this purpose both under receipts and expenditure.

Capital:-

A provision has been made for a Government grant of Rs. 12,500/- towards the expenditure of Rs. 25,000/- for the construction of school buildings for Elementary schools under the scheme formulated by the Governmen for the construction of buildings.

A provision of Rs. 15,000/- has been made for the supply of equipment to the proposed schools under the compulsory scheme, besides a sum of Rs. 30,000/- provided for the supply of furniture and equipment to schools long overdue in spite of the repeated recommendations of the Educational Officers. A sum of Rs. 10,000/- is also provided for the supply of books and maps to the elementary schools.

General:-

The Revised estimate closes with a deficit of Rs. 60,100/- and Budget estimate for 1951-52 closes with a deficit of Rs. 1,36,620/-. It will be seen that the actual closing balance for 1949-50 is Rs. 70,599/- Had it not been for the adverse opening balance, the budget would have closed with a surplus balance. But as regards the Budget estimate, the adverse balance is mainly due to the capital expenditure provided for.

The provision of Rs. 80,000/- made under capital expenditure is the minimum that could be made in view of the fact that there are many schools without any equipment. The Education cess has been raised to 20 pies in the Rupee and with due regard to the backwardness of the district, the Government may be pleased to make a grant of Rs. 1,30,000/- to the District Board.

From the P.D.B. Bellary No.41C/51 d/28-3-51.

From the D.P.I. No.A5/50-51 dated 2-4-51.

The R.E. for 1950-51 and the B.E. for 1951-52 of the E.E.Fund under the control of the Dt.Bd. Bellary call for the following remarks:

R.E. for 1950-51.

Credit is taken for Rs.1,23,570 as Govt. grant under Sec.37 of the E.E.Act. This may be reduced to Rs.67,193 with reference to the payment made in G.O.No.1942 Edn. d/5-7-50.

Credit taken for Rs.44,000 as Govt. grant 'capital' with reference at 'A' on p 3 cf may be deleted ~~as there are no approved schemes pending payment~~. The expenditure of Rs.44,000 under 'Capital' will be reduced consequently.

Revised with reference to above, the R.E. is anticipated to close with a deficit of Rs.1,16,657. The deficit is mainly due to the expenditure on dearness allowance which is estimated at Rs.2,89,100.

The rate of tax levied in the Dt.Bd. area is 20 pies in the rupee from fasli 1359. As the Dt Bd was directed to increase the rate of tax only very recently, the Board may not relish any further increase immediately. It appears therefore a subsidy should be sanctioned to the Board to wipe off the deficit in the current 1950-51 year.

B.E. for 1951-52.

The B.E. is anticipated to close with a deficit of Rs.76,520 without taking into account the closing balance of the R.E.

L.A. may be consulted as to whether the general fund is in a position to make any additional contribution to the E.E.Fund otherwise the question of increasing the rate of tax will have to be considered

in connection with the R.E. for 1951-52.

The remarks of L.A. and Fin. may be invited u.o.

The contributions from the general account shown in the Ely. Edn budget and those ~~shown~~ provided for in the general Budget are the same viz Rs 37,500/= for each of the two years 1950-51 and 1951-52. The general accounts of the ~~Ely~~ 1st Oct for 1951-52 is expected to open with a balance of Rs 30,660 and to close with a balance of Rs 25,219 against the required minimum of Rs 26000/. A major portion of the deficit of Rs 289/00 in the Ely. Edn. Acct in 1950-51 may be met by an additional contribution from the general accounts. This may result in a deficit in the Gr. Acct in 1951-52. A Govt grant may be necessary to cover this deficit and this can be considered when the R.E for 1951-52 is examined. ~~This may result in a deficit in the general account in 1951-52.~~ The extent of additional Contribution ~~for 1950-51~~ from the general account to the Ely. Edn. Acct for 1950-51 may be determined with reference to the actual closing balance for 1950-51 both under general and Ely. Edn. Accounts. No additional Contribution from the General account

to the Edy. Edn. Account in 1951-52 is possible. The Board will have to increase the rate of Edn. Cess. This can be considered in connection with the R.E for 1951-52 as suggested by Edn. This file may be passed on to Fin. Dept.

The notes of Edn and L.A. on pp 1-3 above may be perused. It is not proposed to sanction any subsidy now, as the major portion of the deficit in 1950-51 could be met by additional contributions from the General Account. The suggestion to raise the Educational Cess, if necessary, as the limit of spending the RE 51-52 may be agreed to in this Dept.

The notes of L.A and Finance depts on pp 1-3 above may be perused. In the notes of this dept on pp 1-2 ante the Director's recommendation for the deletion of extra provision for the scheme of expansion of compulsory elementary ~~elementary~~ education was lost sight of. Last year a sum of Rs 2,28,609 was sanctioned to this Dt Board towards the continuance of the scheme of compulsory elementary education during 1949-50. Against this subsidy, the Dt Board became eligible for a subsidy of Rs 2,02,635 only. In the BE for 1951-52, the Dt Bd has taken credit for a sum of Rs 4,36,650 for the scheme of compulsory elementary education which includes extra provision for the extension of compulsory edn scheme

~~Consequent on the scheme of Edn discontinuance~~

The scheme of compulsory elementary education happens was introduced in 1945-46. But further extension of the scheme was dropped from 1948-49. So / that the extra provision taken credit for in the RE should be deleted and the provision restricted to Rs. 2,02,635 ~~for~~ which the Board became eligible for Vide Govt 334 last year. If this is done, the RE will close with a deficit of Rs 3,10,535 against Rs 76,620 as originally anticipated without taking into account the actual closing balance of the R-E L.A. have already stated that no additional contribution from the general account to the Edn. Edn. Account in 1957-52 is possible. So, the question of increasing the rate of education tax may be considered in connection with the R-E for 1957-52 A draft order is submitted.
